

# IEEE Internal Project Competition

Week 1 (Spring): Materials & Safety

# Meet the Team

**Matias Guillen**

Project Chair  
Sophomore - Electrical Engineering  
Internal Project Competition - Lead  
Contact: vector8925

**Erik Siegman**

Project Committee  
Sophomore - Computer Engineering  
Internal Project Competition - Sub-Lead  
Contact: eriks0527

**Yousef Awad**

Project Committee  
Sophomore - Computer Engineering  
Internal Project Competition - Sub-Lead  
Contact: quil180

# Meet the Team

**Tino Hernandez**

Project Committee

Sophomore - EE/CS/CPE/Delusion

Internal Project Competition - Sub-Lead

Contact: vjmuzik

**College of Engineering  
and Computer Science**

# Updates

- We will distribute materials after this brief presentation.
- Meetings will be ***Bi-Weekly*** now with main focus on ***technical assistance***.
- Workshop element to internal competition will be less frequent possible 1 maybe 2 other workshops in the entire semester [sorry I'm very busy :( ].
- Due dates upcoming: ***Banquet (April 17th)***. Project deadline for submission of ***IEEE Awards is April 14th***.
- If you are new you are more than welcomed to join a group as long as they are okay with it!
- If in any case materials were missed from the purchasing. You will have to cover with your own money.
- And no, there will be no more second rounds of BOM submissions.
